

Applicant for:

## **[Remote] Senior Software Developer (.NET, ReactJS)**

Futurify

28 March 2024

---

**Lương Văn Triệu**

✉ trieulv262@gmail.com

Main interests: .NET, C#

***What skills, work projects or achievements make you a strong candidate for this position?***

Hi There,

I'm a skilled and experienced Senior Software Engineer with over 8 years of design and maintenance software within the Microsoft framework. I am always eager to learn new skills and technologies to enhance my capabilities and performance. I always seek a dynamic working environment, new challenges, and opportunities to showcase my skills and creativity.

Thank.
