✉ thuanphamn.it@gmail.com

Main interests: .NET, C#

What skills, work projects or achievements make you a strong candidate for this position?

Dear HR,

This letter expresses my interest in your posting for a senior backend developer. With hands-on experience using .Net languages for years, I am confident I will match closely with your listed requirements. I've also attached my CV which details my experience.

Thank you for your time and consideration. I look forward to speaking with you about this opportunity.

Sincerely,

Thuan Pham

PHAM NGOC THUAN

.NET SOFTWARE ENGINEER
